## A Year in Review

Life is mostly about the journey and not the destination. Our journey opts for our destination at **Makhzoumi Foundation**, and what we choose is what we get. The **lessons** that we learned this year throughout our service provision are **plentiful**; they are derived from our choice to serve. Some are **painful**, but many are **pleasurable** along the path of support and empowerment that we are following. Thanks to our **Founder, President and General Manager**, We are closing another successful year with **great achievements** in all of our operations.

Agreements, Memorandums and Collaborations;  
Awards, Appreciations, Prizes and Honors;  
Environmental and creative arts, Theatricals, Marathons and Ceremonies;  
Entrepreneurship activities and new startups;  
Trainings, Workshops, Capacity-building and Awareness sessions;  
Women, youth and gender rights projects;  
Local Visits, Congresses, conferences, seminars and meetings;  
And numerous fun and entertaining events;

**2016** seems to be a really hectic year for all of us at **Makhzoumi Foundation**. We have worked incredibly hard and the results are obviously fantastic.

Dear HIGHLIGHTS friends, Please have a glance at year 2016 and we hope that when you look back at these times, you feel pleased with all the achievements. **We work in a Foundation that we are proud of.**
