HOW ARE WE DOING? TAKE OUR SURVEY

Dear Supporters

As the New Year arrives, we are all busy making plans and we would like to have your thoughts on Makhzoumi Foundation newsletter, **HIGHLIGHTS**.

On the road toward empowerment, we are trying our best to improve “the game”.

From now until January 31, we will be conducting a brief user survey, which you can find linked prominently on our website homepage and social media platforms.

Please take a moment and tell us how we’re doing to make sure your opinion is heard.

The survey takes only 2 minutes to complete. All responses are completely anonymous. The more feedback we get, the better equipped we will be to improve our existing monthly newsletter.

We value your feedback. And we look forward to reporting what we learn from the survey results in the coming weeks. Thank you!
